PROFESSIONAL SUMMARY

Software developer with 3 years of experience building web applications and REST APIs. Comfortable working with Python, JavaScript, and cloud platforms. Interested in machine learning and data-driven products. Looking for opportunities to grow as a full-stack or backend engineer.

TECHNICAL SKILLS

Languages: Python, JavaScript, TypeScript, Java, SQL

Frameworks: React, Node.js, Express, Django, Flask

Databases: PostgreSQL, MongoDB, Firebase, Redis

Tools: Git, Docker, AWS (EC2, S3), Linux, Jira

Other: REST APIs, Agile/Scrum, Unit Testing, CI/CD basics

WORK EXPERIENCE

Software Developer

Infosys Ltd. | Bengaluru, India | June 2022 - Present

- Developed and maintained internal web applications used by 500+ employees for project tracking and resource allocation
- Built REST APIs using Node.js and Express, handling 10,000+ daily requests with 99.5% uptime
- Migrated legacy jQuery frontend to React, reducing page load times by 40%
- Wrote unit tests achieving 78% code coverage using Jest and Mocha
- Participated in daily standups, sprint planning, and code reviews in an Agile team of 8

Junior Developer (Intern to Full-Time)

TechServe Solutions | Hyderabad, India | Jan 2021 - May 2022

- Assisted in building a customer portal using Django and PostgreSQL serving 2,000+ users
- Created automated data pipelines using Python scripts to process CSV and Excel uploads
- Integrated third-party payment gateway (Razorpay) into the existing e-commerce platform
- Fixed 120+ bugs across frontend and backend during a 3-month stabilization phase

PROJECTS

Personal Finance Tracker (Side Project)

Built a React + Firebase app for tracking monthly expenses with charts and budget alerts. Used Firebase Auth for login and Realtime Database for storage. Deployed on Vercel.

Movie Recommendation System (College Project)

Developed a content-based movie recommender using Python and Scikit-learn. Trained on 5,000 movie descriptions using TF-IDF vectorization and cosine similarity. Built a simple Flask web interface for user input.

EDUCATION

Bachelor of Technology in Computer Science

VIT University, Vellore | 2017 - 2021 | CGPA: 8.2/10

CERTIFICATIONS

- AWS Cloud Practitioner (2023)
- Google Data Analytics Professional Certificate (2022)
- HackerRank Python (Gold Badge)
